

Year 1 visited Woodborough garden centre before Easter

Staff news

I am pleased to inform you that this week we have appointed 3 new teaching assistants. They are:

Mrs Sally Quinn

Mrs Caroline Buckland

Mrs Jude Buckell

They will be joining the team after may half term and will work alongside our existing experienced team ready to take on their roles in class from September.

Another piece of staff news is that Mrs Earl will be taking a 1 year career break from September 2015 until September 2016. The governors recognise how valuable each team member is and have granted the break knowing that her year will provide her with lots of experiences to share with the children on her return. We are therefore advertising her post currently.

Great Bedwyn School

Friday 17th April 2015

What a fantastic week we have had to start the summer term! The children have really enjoyed being up on the field and long playtimes have been the order of the day it seems.

Please remember to send a water bottle in with your child in this lovely weather. We do have 3 fountains but after play if 15 people are queueing that is another 7 minutes of learning time lost if you are at the back of the queue. If it happens for a week your child could have missed 25 minutes of maths or literacy. Every class has a drinking water supply to refill bottles.

Year 5 made super hero puppets linked to their topic. They looked fantastic. Well done year 5!

TEACHER CLUBS BEGIN NEXT WEEK
