

We have had a busy few weeks here at school and I haven't had time to tell you all about the year 6 trip to the Isle of Wight!

What a fabulous bunch of children they were. The journey across was rough with a capital R. But the children bounced back as soon as we reached the pontoon. The 3 adults took a bit longer ... everyone gave the activities their best shot and tried lots of new things. Wind surfing, dinghy sailing, stand up paddle boarding and kayaking. The children were a credit to the school and their good manners were commented on by the coaches. Well done everyone!

Kayaking Crashes

Pain in the neck Parking

We have received quite a few complaints from our neighbours about parents being disrespectful and blocking people's driveways when picking up and dropping off for school. This is not nice for us as a school as it gives all of us a bad reputation and that's just not fair!

Parking rules and regulations apply to inconsiderate parents too! You would expect the school to uphold school rules for your children and this is something you should consider as parents when you park.

Parentmail

It's happening but it needs you to sign up please. We still have 48 unregistered parents and you will not be able to receive any information about your child's school if you do not do this.

E-Safety

We are recommending that all parents have a look at a great resource that has been brought to our attention about how to keep your children safe in this digital age.

If you go to the school website - Parent Information - School letters you will find a link to a great website. Please take a look!

GBSA Coffee Morning

Thank you to everyone who helped at or bought tea and cake last Friday at the MacMillan coffee morning . The morning raised over £300.
