

**Welcome back**

We are looking forward to welcoming your children back tomorrow. School will be open from 8:30 and staff will be available to show you where to drop off your children. Please be mindful of where you park and respect our school neighbours. Please remember the school car park will be closed due to health and safety.

**Reading Books**

Please hear your child read and record their reading in the record. If your child is able please encourage them to record their reading on a daily basis. Please ensure that book bags come into school every day.

Reading books will be changed twice a week on a Monday and a Thursday.

**Information for Parents**

Please ensure that you follow the social distancing measures and one way system around the school during drop off and pick up.

At the moment we will be keeping adult visitors to a minimum inside the school. If you would like to speak with the class teacher then please inform the office and the teacher will respond as soon as possible. They will either contact you via phone or arrange a face to face meeting.

**Personal Belongings**

We would appreciate it if your child could keep personal belongings to a minimum. We will expect book bags, lunch boxes, water bottles, PE kit and coats.

Please ensure all clothing is labelled, including coats.
