- Sports Day 13th July
- Leavers Service/End Of Term Church 16th July
- Last Day Of Term 17TH July

What a beautiful cross as a focus for our collective worship!

Over the last few months we have been very lucky to have Mrs Pearson visiting us. She has spent many afternoons, designing and making this stunning cross that we now have on the wall in the school hall. It is based on the Van Gogh painting of Starry Nights. Many children and adults have placed pieces of mosaic in the pattern and now the finished cross hangs as a permanent fixture. Thank you Mrs Pearson for all of your time and artistic talent!

Year 5 represented the school in a squash tournament recently.

PE in the 2015-16 academic year

Throughout the 14-15 school year Mrs Bengtsson has been working alongside the teachers for PE to increase the adult child ratio, therefore improving engagement and opportunity for inter class games. We have been very pleased with this provision. Mrs Bengtsson will now however be taking on more hours of class teaching with us and for PE in years 2-6 next year we are very pleased to say that we have Dax Mellor working with us. For those of you who have children involved with Squash you will already know Dax. He has worked with the school in the last two years teaching squash to year 3 and 5.

Children's garden

Mr and Mrs Mitchell have worked very hard recently to donate their time to completely overhaul the gardening area. This now looks amazing and is producing vegetables, thank you the children are loving it again!

SCHOOL DROP OFF TIME

Please note that you **MUST NOT** drop children off at school before 8.45!!

This is becoming a regular thing for some parents. We are not a childcare facility and do not have insurance for children that have been dropped off before the school opening times!

The office and the teachers are always in school before this time but that is their choice and they come in early to get jobs done that they cannot do when children and parents are around. Please respect this is their time and your children must not be left unattended on the school grounds.

WIND in The Willows is now

SOLD OUT!

WATER

Please remember that every child should be bringing a water bottle to school in this lovely weather so that they can access plenty of water during the day.
